EDUCATION

- **University of British Columbia** Vancouver, Canada
BASc in Engineering 2025 – present

WORK AND VOLUNTEER EXPERIENCE

- **Metanoia Music Studio** Vancouver, B.C.
Piano Teacher 2023 – 2025
 - **Student Progress and Engagement:** Created fun, customized lesson plans for kids of all levels, helping them learn to play their favorite songs while building strong music reading skills and boosting their confidence.
 - **Teaching Style:** Used a patient and hands-on approach to keep students engaged, focusing on making music theory easy to understand through games and creative practice exercises.
 - **Events and Coordination:** Worked with parents and local community groups to host student recitals, handling everything from organizing the program to helping kids feel prepared and excited to perform.
 - **Resources and Skills:** Songbooks, music theory apps, backing tracks, parent communication, and lesson scheduling.
- **Providence Healthcare** Vancouver, B.C.
Long-Term Care 2024 – 2025
 - **"Gathering Entertainment" Program:** Assisted with social events and daily entertainment to create a welcoming and positive environment for residents. Handled event logistics from start to finish, taking care of equipment setup, space management, and post-event cleanup.
- **Project Hastings** Vancouver, B.C.
Community Outreach Volunteer 2023 – 2024
 - **Food Security and Distribution:** Assisted with monthly meal distributions, delivering food, water, and seasonal essentials to support vulnerable residents in the Downtown Eastside community.
 - **Logistics and Collaboration:** Handled event setup, organized donation inventory, and collaborated with a large network of student volunteers to ensure safe and efficient community outreach operations.

CORE SKILLS

- **Customer Service:** Patient and helpful approach to assisting patrons, resolving inquiries, and creating a welcoming store environment.
- **Communication and Teamwork:** Strong interpersonal skills, active listening, and collaborating smoothly with team members to keep floor operations running.
- **Work Ethic and Reliability:** High punctuality, strong time management, adaptability to fast-paced environments, and a strong commitment to completing tasks.
- **Operational Support:** Fast learner with inventory management, shelf organization, stock replenishment, and maintaining clean, safe workspaces.
